PROFESSIONAL SIGNS, PERSONAL SERVICE

“WOW! The signs were more than we anticipated. The showmanship and execution exceeded our expectations. We look forward to working with you in the near future.

- **Kathee Eastman**
Graphics, Blue Cross Of Idaho

“Signs 2 U has done a lot of signs and banners for me. They do a great job with top quality digital printing and fast turn around. If you need a full vehicle wrap, they're the only company I would trust.

- **Bryan Nunes**

“Thanks for your terrific help and service. I appreciate your constant and dependable service.

- **Kevin Nelson**
President, Dental Marketing Design

“The banner turned out PERFECT for the event.

- **Megan Wood**
Marketing and Events Manager, Idaho Business Review

■ QUALITY:

Locally owned and operated, we will work twice as hard for you to make sure that every order is done correctly and on time. Using the highest level technology to create your signs makes it easy to guarantee the same results time after time.

■ KNOW HOW:

Our highly trained staff have over 20 years of graphic design experience and over 10 years of sign production experience. We are always expanding our know how of different materials and ideas and love to pass them on to our customers. We will do the research for you and make sure your image and company are ahead of the curve.

■ INDIVIDUALITY:

We realize that each of our customers is different, so we treat every order as such. For this reason we will never sell you a "cookie-cutter" sign -- in fact we will design, print, build and deliver your custom sign for the same price others will charge you for a mass produced sign.

■ SPEED OF SERVICE:

Whether you need your order in two weeks or two hours we pledge to do everything we can to make sure you meet your timeline. We understand that in this society of hustle and bustle things will slip between the cracks and orders will need to be completed quickly and effectively.

At Signs 2 U we know that wasted money on marketing hurts, a lot. That's why we will sit down and give you up front pricing that includes Graphic Design, Printing and Installation of your new signs, vehicle wraps, etc.
